Coil King Powder

A/C Condenser Coil Cleaner

Coil King Powder will yield one gallon (3.8 liters) of a ready-to-use coil cleaner and brightener. **Coil King Powder** removes oil, grease and dirt while brightening condenser coils. It can also be used to clean evaporator coils and mechanical equipment. **Coil King Powder** is safe on all metals, copper and aluminum. It also contains a corrosion inhibitor to protect metal pipes.

DIRECTIONS:

1. Turn off system and venting fans.
2. Fill a plastic container with 1 gallon (3.8 liters) of water.
3. Slowly add in **Coil King Powder**.
4. Shake or stir until the powder is completely dissolved.
5. Spray surface thoroughly. Avoid backspray.
6. Allow **Coil King Powder** to penetrate and foam for 5 to 10 minutes.
7. Rinse thoroughly with plenty of water.
8. Turn system back on.

CONTENTS: Sodium Hydroxide (CAS# 1310-73-2).

⚠ WARNING: Cancer and Reproductive Harm - www.P65Warnings.ca.gov

HAZARD STATEMENT: DANGER: AVOID CONTACT WITH EYES, SKIN, MUCUOUS MEMBRANE AND CLOTHING. Can cause severe eye and skin damage. May be corrosive to metals. **PREVENTION:** Do not breathe mists. Wash skin and eyes thoroughly after handling. Wear protective gloves and clothing, and eye and face protection. Keep only in original container. Do not allow contact with aluminum. **RESPONSE: INTERNAL: If swallowed:** rinse mouth. Do NOT induce vomiting. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **If on skin (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. **If inhaled:** Remove person to fresh air and keep comfortable for breathing. **IMMEDIATELY CALL A POISON CONTROL CENTER or DOCTOR/PHYSICIAN. DO NOT USE IF ANY OTHER CHEMICAL HAS BEEN USED. After use, close cap.** Keep in original container. Absorb spillage to prevent material damage.
