CAN CAUSE SEVERE BURNS ☠ **POISON** ☠ MAY BE FATAL IF SWALLOWED.

## Plumber's Plunger

Non-Acid Liquid Drain Opener

**WARNING: USE RUBBER GLOVES AND EYE GOGGLES. DANGER. CAUTION. AVOID CONTACT WITH EYES, SKIN, MUCOUS MEMBRANES AND CLOTHING. ONLY STORE IN ORIGINAL CONTAINER. DO NOT USE IF ANY OTHER CHEMICAL IS PRESENT. AVOID ALUMINUM.**

**Plumber's Plunger** will pour through standing water, dissolve hair quickly and cut through grease. It will not harm pipes, drains or garbage disposals.

**Directions:** Open locking cap carefully. Pour Plumber's Plunger slowly and directly into clogged system. Be careful not to splash on skin, eyes or clothes.

**For Standing Water:** Do not remove water. Pour 1/2 of bottle into standing water. Wait 20 to 30 minutes and flush with warm water. Repeat if necessary. **Maintenance Program:** Use 1/4 bottle weekly, as directed above to keep system flowing free.

**For Garbage Disposal:** Use as directed above. Flush with warm water. Do not run disposal if drain does not clear. Running disposal will cause a back flush. If disposal remains clogged, contact a plumber.

**Contents:** Sodium Hydroxide (CAS# 1310-73-2),
