

# Coil King Powder

**External Powder Condenser Coil Cleaner & Brightener**

*Coil King Powder will restore heat transferring qualities to 100% efficiency by removing lint, dust, dirt and grease build-up. Removes oxidation and prevents it from returning. Coil King Powder concentrate is perfect for rooftop work - less weight to carry and many rooftops have a water source. It's safe, convenient and easy!*

- *Cleans and brightens condenser coils*
- *Contains inhibitors to prevent metal fatigue*
- *Its heavy foaming action carries away inaccessible dirt fast.*
- *Can be used on all metals including copper and aluminum*
- *One 18 oz. container makes one gallon (3.8 liters)*

**Stock No. 90-110**  
*Available in an 18 oz. container.*
